# STEP-UP

Low Level Access Platform

**Instant Step-Up is a light weight, compact, heavy duty work platform which offers the operator a safe and stable working platform.**

Available with 1m or 1.5m platform height, these work platforms provide a fast, simple and cost effective solution for low level access for all types of contractors: roofing shop-fitting, electrical, heating and ventilation, sign-writing, painting and more.

The Instant Step-Up products are compliant with the Work at Height Directive and are PAS250 compliant for access to 3.5m.

**Compliant to PAS250**

**CO.MA.CO S.r.l.**
